MEMORANDUM FOR THE RECORD

SUBJECT: Employment of Peace Corps Members by CIA

1. The undersigned called on Mrs. Dorothy Jacobsen, Director of Personnel, Peace Corps, with reference to the President's Memorandum of 10 April 1963 regarding the employment of Peace Corps members by other government agencies.

2. Mrs. Jacobsen was advised that the Director of CIA had reviewed our policy of not hiring former Peace Corps members, as a result of the 10 April Memorandum, and had reaffirmed that CIA would not hire any person who had worked with the Peace Corps.

3. I explained to Mrs. Jacobsen that we were taking steps to ensure that Agency personnel were aware of this policy. I suggested that it would be helpful if the Peace Corps could brief their personnel when they are starting to look for other assignments that they should not apply to CIA. Mrs. Jacobsen said she thought this was a good idea and would take steps to have this done.

4. Mrs. Jacobsen said she was very pleased that the Agency was reaffirming a policy of not hiring Peace Corps Personnel and she appreciated the visit. I informed her that Mr. Irons had also been advised of our policy.
